... Act Locally!

Families, clubs, Scouts, youth groups and outdoor enthusiasts are invited to join us at the Green Village Pond Conservation Area, an old homestead dating from before 1928 and now owned by Chatham Township and the Morris County Park Commission.

We will pick up trash, prune brambles, spread wood chips on the trail and enjoy a taste of spring. This area is habitat for birds and wildflowers. The goal is to create a pleasant site for nature walks and nature study.

Park along Green Village Road across from Melrose Lane. Wear old clothes and sturdy shoes, and if you wish, bring shovels and pruning shears, loppers and your own work gloves.

Plastic bags and cotton gloves will be provided, thanks to Shop-Rite of Chatham.

Free refreshments. Call Dot Stillinger at 973-377-6992 for more information or visit [www.chathamtownship-nj.gov](http://www.chathamtownship-nj.gov).
